Gloucester 400 Stories Project

Consistent with our tagline – *Our People, Our Stories*, the Gloucester 400 Stories Project is a citywide undertaking with a goal of collecting, preserving, and sharing 400 stories of and about the City of Gloucester, created to honor every person who has made Gloucester their home. It will provide a picture of Gloucester’s 400-year heritage and diversity as seen through the eyes of its extraordinary citizens, portraying the lives, culture, and history of our city through stories in all formats and through a variety of partnerships.
